

aTalent® Onboard powered by **docebo**®

Learning in the flow of Onboarding

Across the entire journey from pre- to post- onboarding

BOOST ENGAGEMENT AND RETENTION

DURING THE RECRUITMENT PROCESS AND THROUGHOUT THEIR CAREER

Deliver a best-in-class onboarding experience assembled with personalized learning journeys that excite your new hires before they even start.

Nurture engagement and loyalty by welcoming new hires to your company, culture, and team using our award-winning solution.

Ensure your people clearly understand the role and expectations and smoothly join the organization. Help them remain compliant by following a personalized learning path from pre- to post- onboarding.

EXCITE AND MOTIVATE YOUR NEW HIRES

WITH EMPLOYEE-CENTRIC JOURNEYS

Make it an unforgettable experience for your people by delivering personalized learning content in the flow of onboarding with no apps, no logins, and no passwords. Meaning your people can access training anytime, anywhere.

EMPOWER YOUR PEOPLE

WITH BITE-SIZED LEARNING JOURNEYS

Educate your new hires the way they love by combining all chunks of learning content in one platform with unmatched customization, ensuring they're growing without being overloaded.

GET PEOPLE ONBOARDED FASTER

WITH A TIME-SAVING PLATFORM

Reduce time to productivity and improve performance with ease by joining the onboarding platform which integrates new-hire orientation, paperwork, and personalized learning plans.

HAVE YOUR PEOPLE LEARN

IN A NATURAL AND FUN WAY

Deliver personalized learning journeys in the flow of work with rich content and diverse formats such as SCORM, AICC, xAPI, video, quiz, or a mix, and seamlessly keep track of various types of learning.
